1. Please briefly describe (max. 200 words) your activity proposal including:
 - Partners involved (if promoted by more than one organisation);
 - Main theme;
 - Objectives;
 - Methodology;
 - Expected results.

2. Please describe how your activity will deal with the Joint Theme of the 2017 cycle of the Network of Universities on Youth and Global Citizenship, “Developing Global identities”.

3. Please explain the motivation for the organisation to hold this activity in the framework of the Mediterranean University on Youth and Global Citizenship and how your activity could benefit from being organised in such context.

4. Please share concrete proposals of initiatives (e.g. exhibition, presenting a campaign, sharing a tool, others) in which your organisation and your participants would contribute to the Joint Programme.

5. Please share concrete proposals in which your organisation would be able to contribute for the general organisation of the University (e.g. volunteers, trainers, event’s organisation tools, others).

6. Are the funds for this activity already guaranteed? If your organisation is in the process of grant approval, which grant have you applied to and when is the deadline for the communication of the results?
