

Information about the fireside chat

The “fireside chat” hosted by Mr Knut Storberget, Minister of Justice of Norway, and Ms Maud de Boer-Buquicchio, Deputy Secretary General of the Council of Europe, will take place from 7pm on 17 June at the Bikuben Banquet Rooms, followed by a dinner hosted by the Norwegian Minister of Justice at the same venue.

The fireside chat is an informal meeting open only to Heads of delegation at Ministerial or State Secretary level. It provides an opportunity for informal and free discussions on topics of common interest.

Ms Asha-Rose Migiro, Deputy Secretary General of the United Nations, has been invited to present the UN's work to bring an end to violence against women and girls around the world.

The main language will be English, but whispered interpretation will be provided into French, German, Italian and Russian where required. Ministers/State Secretaries may be accompanied by their own personal interpreter, and at their own costs, if none of the languages for which interpretation will be provided is sufficient. Please inform the Secretariat of all interpretation needs (dominique.wulfran@coe.int).
