Alert concerning the non-Government controlled areas in Luhansk and Donetsk regions

57-year-old Oleksandr Kuchynsk, a senior journalist editor of Criminal Express, a newspaper in Donetsk covering crime, was found murdered along with his wife on 29 November 2014 in the village of Bogorodychne near Slovyansk in war-torn Donetsk Oblast, according to police sources. Officials of the Interior Ministry were quoted as saying that the couple was stabbed to death. Media reports added that Kuchynsk had gained a reputation from his investigations into the Donbass mafia.
