Election of the Vice-Chair of the Governance Committee of the Congress

Dear Mr. honourable Torres Pereira

Since the year of 2015 I am a Vice-President of the Governance Committee.

For the next meeting of the Congress the members were encouraged to apply for the Vice President in the Governance Committee and I will follow this call because I want to work for the Committee as a Vice-president for the next two years and maybe for some years more.

All the requirements formulated in this letter to potential candidates are fulfilled by my person.

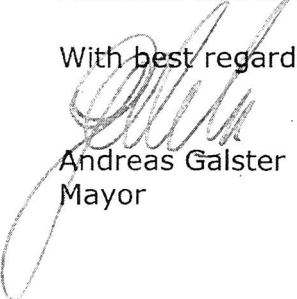

In consultation with the Head of the German Delegation I made my new application for this position at the Congress.

The work of the Governance Committee in the last two years has given me a lot of joy and I would be happy to support the aims of EPP Group in the Committee.

Therefore, Mr. honourable Torres Pereira I would be very happy if you would support my application.

Attached to this letter you will find my letter of application.

With best regards
