

**Octopus Interface conference on**

# **Cooperation against cybercrime**

**10 – 11 March 2009**  
**Council of Europe, Strasbourg, France**

Version 20 Oct 2008

On the agenda:

### **Criminalising child pornography**

- How do countries implement Article 9 of the Convention on Cybercrime?
- How do they make use of the Convention on the Sexual Exploitation and Abuse of Children?

### **Cybercrime training resources**

- What training resources are available for law enforcement, prosecutors and judges but also the private sector?

### **Follow the money on the internet**

- Cybercrime and “cyber-laundering”: typologies
- Techniques to follow criminal proceeds on the internet

### **24/7 points of contact and judicial cooperation**

- How effective are 24/7 points of contact and international legal cooperation against cybercrime?

Update:

- Implementation of the Convention on Cybercrime and its Protocol on Xenophobia and Racism
- Guidelines for the cooperation of law enforcement and Internet service providers: measures taken since their adoption in April 2008
- The Project on Cybercrime: results of Phase 1 – plans for Phase 2

The Conference will be followed by the Cybercrime Convention Committee (T-CY) on 12 – 13 March 2009
