Yes  No

- b. If yes, please provide a brief description of this body, including its composition, mandate, duration and expected results

The working group was formed with an aim to develop the national action plan to combat domestic violence. The task force was formed in 2006. It draws together representatives from different ministries, NGOs and other relevant institutions. The working group will also monitor the implementation of the action plan. The members of the working groups are simultaneously contact persons for different institutions on the field of domestic violence. The leader of the working group is the Ministry of Social Affairs.

### **IV. Additional information on national action to combat violence against women**

In 2006, Estonia conducted a qualitative research on perpetrators with the aim of mapping the attitudes and explanations that they give to their behaviour. The results should be available in May 2007.

The NGOs are very active in combating domestic violence (conducting trainings, publishing materials, lobbying, working with media, raising awareness, etc). The shelters in Tallinn, Tartu and Ida-Virumaa are working. In 2003 a nationwide network of women's support groups was initiated. Currently there are 9 support groups working on a weekly basis, one group is also for Russian speaking women.
